FINANCIAL DEPARTMENT.

DECREE MONEY AND OTHER JUDICIAL DEPOSITS REALIZED IN TALUK COURTS.

To—The District Treasury Officers and Amildars.—Circular No. 1122, *dated* 11*th June* 1874.

To prevent misapprehension which is reported to prevail among some Amildars, the Deputy Accountant General has the honor to point out that Circular No. 284, dated 12th May 1865, on the subject of decree money and other court deposits, is no longer in force, and that Amildars' Courts are no longer permitted to retain such monies till the close of the month and then pay them into the Treasury. They should be paid in on the day of receipt. A remittance book will be kept for the purpose in which the decree money or other judicial deposits will be entered and signed by the Amildar, who will see that the money is immediately paid into the Treasury, that the receipt of the Shroff is given in the proper column of the remittance book, and that the amount is credited in the Treasury deposit account.

"4—LOCAL REMITTANCES."

To—The District Treasury Officers, Circular No. 1125, *dated* 12*th June* 1874.

From the statements of balances standing on 31st March 1874, under the head 4—Local Remittances, which have been furnished by District Treasury Officers, it is evident that that head of the accounts has been employed by the Amildars to shew a large number and variety of items which do not properly belong to it, but to deposits and some to other heads.

2. Instructions on this subject were issued to all the Treasuries in Circular No. 233, dated 21st October 1864, which appearing to have been in many instances disregarded, the Deputy Accountant General has the honor to request that District Treasury Officers will personally examine the details of the head in question so as to restrict it in future to the following items only:—

On receipt side (1) District Treasury cheques credited in current month, but not paid in the same month by the Taluk Treasury.

(2) Remittances in specie or notes credited in current month, but charged in a previous month either in District or taluk accounts.

Disbursement side (1) District Treasury cheques charged by a taluk in current month, but credited by the District Treasury in a previous month.

(2) Remittances in specie or notes charged by District Treasury or a taluk account in the current month, but credited in the following month.

511

3. All other items, which do not belong to some service or other head, must invariably be shewn under "Deposits" and included in the Deposit Register of the Treasury concerned. This rule will apply to items realized in one Taluk Treasury but due to or payable at another, or the District Treasury. All such items must be entered as deposits, and the District Treasury Officer should take immediate steps, on receipt of the taluk accounts in which they appear, to expedite the payments in cash or cheques as may be necessary.
